

Getting FREE Library eBooks and Audiobooks for iPad/iPhone/iPod Touch (Apple App Devices)

What You Need:

- ✓ Valid Brimfield Public Library District Library card and PIN/password
- ✓ iPad/iPhone/iPod Touch
- ✓ iTunes username and password
- ✓ Adobe ID (for eBooks)
- ✓ Internet connection

Install OverDrive's Mobile App on Your Apple Device

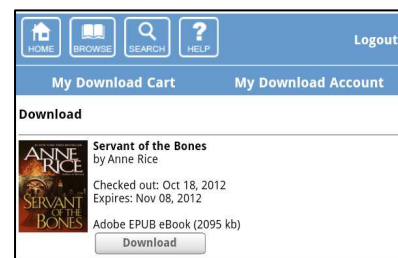

Before you can install the OverDrive Media Console app from the Apple App Store, you'll need to have registered and set up your device and iTunes. If you need help with this, visit Apple's support page at apple.com/support/.

1. Visit the Apple App store on your device.
Note: Although this app is free, you will need your iTunes username and password information to download.
2. Type **OverDrive Media Console** into the search bar then tap **Search**.
3. Tap **Free**, then **Install** next to the OverDrive app.
Go back to your home screen, and then tap the OverDrive icon to get started.

Download eBooks and Audiobooks

1. Open the OverDrive Media Console app. The *About OverDrive Media Console* pop-up may appear. After reading, tap **Close** or **Done**.
2. Tap **Get Books** in the upper right corner.
3. Tap a library on your list to open the library's mobile site.
 - If you don't have a library selected, tap **Add a Library**, type in your ZIP code, and tap **Search**.
 - Select your library from the list, tap the **star by Alliance Digital Media Library** to save it, and then tap **Alliance Digital Media Library** to search for titles.
4. When the mobile site opens, login to Alliance Digital Media Library by tapping **Login**. Select the library which issued your library card, enter your card number (with D, no spaces) and PIN, and tap Login. Call the library at (309) 446-9575 if you do not know your PIN.
5. Find a title to enjoy.
 - **Home** allows you to view featured books.
 - **Search** allows you to search by title or author.
 - **Browse** allows you to search by format, subject, or genre.
 - Tap the title or cover to learn more about the eBook or audiobook (description, length, etc.).
6. When you've selected a title you want, tap **Add to Cart**.
For eBooks, you will need to check out the EPUB format, not Kindle format.
For audiobooks, you will need to check out MP3 format.
7. Tap **Proceed to Checkout**.
8. Select your lending period (7, 14, or 21 days), then tap **Confirm check out**.
9. Tap the **Download** button. The book will automatically load onto your Bookshelf. While it downloads, you can keep on browsing.
10. Tap **Bookshelf** in the upper right corner and tap the title to read or listen.

TIP: Touching the center top or center bottom of a page within an eBook provides the ability to go back to the bookshelf, change reading settings, and access the table of contents.

You may be prompted the first time you download an eBook to authorize with an Adobe ID. Please read Authorize with an Adobe ID on the opposite side of this page.

Download time depends on the size of the book and your connection speed. For faster downloads, you may want to try a Wi-Fi connection.

Authorize with an Adobe ID

1. A prompt displays the first time you download an eBook to the OverDrive Media Console app.
2. If you do not have an Adobe ID...
 - Tap **Get a free Adobe ID** which takes you to Adobe's website at overdrive.com/partners/redirects.asp?product=adobeID.
 - Follow the steps to create an Adobe account and note the email address and password you used for your account.
 - Return to the OverDrive app on your device (in **Get Books**) and go to **App Settings**.
 - Enter the email address and password for your Adobe ID.
 - Tap **Authorize**.

If you would like to download the same eBook to another device, be sure to authorize using the same Adobe ID.

If you do have an Adobe ID...

- In **Get Books**, tap **Settings**.
- Enter your Adobe ID and password.
- Tap **Authorize**

Return a Book Early

OverDrive titles automatically return themselves on their due date. However, you may want to return a book before its due date in order to return it for the next reader or to be able to download more books.

1. Open the OverDrive Media Console app and view the **Bookshelf**.
2. Tap on the + sign on the right hand-side of the title you want to return.
3. Tap **Return/Delete**.
